Subject: Milt Friend Meeting (4/6)

All Attendees:

This is just a quick reminder of the meeting which has been scheduled for this Thursday, April 6th with Milton Friend (USGS Chief Scientist of the Salton Sea Science Program). he will be meeting with all of you this Thursday from 1:30pm to 3:30pm at the Resources Building, conference room #210, 1416 9th Street.

There is also a larger meeting in the morning from 10:30am to 12 noon on the same day to have a larger discussion of the science management program.

We will see each of you on Thursday in the afternoon.

Tina L. Fourkiller
